Jeff Crowley H.B. Kin, M.Sc.PT, Dip. Manip.PT, FCAMT, CAFCI

Description: This course is intended for candidates preparing to write the Orthopaedic division's intermediate practical examination. Candidates must have completed the level 3 upper course and have plans to complete the level 3 lower course by December 31, 2010 in order to participate in the coaching sessions. The purpose of this course is to refine manual skills and the clinical reasoning process in order to prepare the candidates for the IPE.

This prep course will prepare the candidates for the IPE in the following way:

Practical Exam: Practical techniques will be reviewed at each class with focus on refining hands on skills. New techniques will not be taught as it is expected that the candidates have learned all techniques during the level 1-3 courses. Mock exams will be given to help prepare for the oral/practical exam.

Mentorship Hours: 40 hours of mentorship is provided through the in class coaching sessions. The candidates are responsible for attaining the remainder of the 15 clinical mentorship hours and the 35 non-clinical hours on their own. The total of 90 mentorship hours must be completed by December 31, 2010 (one month after the due date of the IPE application).

Location: Adelaide West Physiotherapy Clinic. Please see link on website for directions.

Cost: \$ 1582 (\$1400 + 182 HST) Class size is limited to 12. Cheques may be postdated to July 12, 2010.
